COMMUNITY CHURCH

Our goal is to provide families with a safe, loving, healthy environment where we are able to help parents lead their children to know, love, and serve our Savior Jesus Christ. We want you to feel confident in the quality of care we offer your child. Here are a few of the steps we take to ensure the safety and security of your child:

CHECK-IN AND OUT

Children ages 4 and younger must be signed in and out by a parent or guardian. Older children must be released to a parent or sibling that is 12 or older. Please inform us if your child has any special needs or allergies.

SAFE & CLEAN ENVIRONMENT

All our volunteer workers have been background checked and screened. We use disposable gloves for diaper changes and sanitize all surfaces and toys.

PARENT PAGING

Parents of toddlers and babies are provided with a pager so you can be contacted during the worship service. It is not unusual for a child to be upset for a brief period when the parent leaves, however, we will notify you if your child continues to be upset after 20 minutes. Parents of two-year-olds are also welcome to use a pager.
